

## July 12 lesson supplement

### 1. Flats (flat sign)

A “flat sign” lowers the pitch of a note 1/2 step

Let’s use this with the note “E”

E (natural) is 2nd position

E flat is 3rd position

*\* Play the example below - and see if it sounds 1/2 step lower to you*

E (natural)

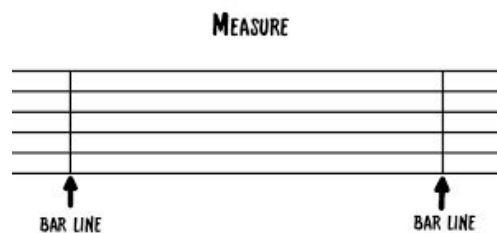

E flat

2nd position

3rd position

---

### 2. Measures = the space between two bar lines

*\* How many measures are there in the next example?*
